#### **Governors' Indemnities**

#### Induction and training of new trustees

The Trust has a Governor Recruitment, Induction and Training policy available from the Clerk to the Governors. The training and induction provided for new Governors will depend upon their existing experience but would always include a tour of the school and a chance to meet staff and students. All Governors are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as Governors.

In advance of their attendance at a meeting of the Board, a new Governor shall go through the Induction Procedure, consisting of:

- receipt of the current Governors' Information Pack of relevant briefing and background documents
- visit to Everton Free School Trust to meet the Chairman and the Principal
- briefings from members of the Senior Leadership Team (SLT)
- a tour of Everton Free School Trust.

An opportunity to engage in a plenary session with the Principal to ask questions, clarify a Governors' role and discuss procedures of the Governing Body will also be offered.

The development of the Governing Body will cover four main areas. These are with regard to how Governors:

- help to shape the vision and direction of Everton Free School Trust

- challenge and support the Principal and the Senior Leadership Team
- ensure that Everton Free School Trust fulfils its statutory duties.

Governor development shall be effected by a combination of means, to include:

- Group briefings at Governors' Meetings on particular issues (from, inter alia, members of the SLT, other staff, fellow Governors' and external bodies)

### REPORT OF THE GOVERNORS for the Year Ended 31 August 2015

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

#### Organisational structure

The Governors are responsible for setting general policy, adopting an annual plan and budget, monitoring the Trust and Free School Trust by the use of financial management information, making strategic decisions about the direction of the Trust and capital expenditure, making senior appointments, and approving the Annual Report and Financial Statements.

The School's Principal is the accounting officer.

The Senior Leadership Team consists of Principal, Deputy Principal and Assistant Principal. They control the Free School Trust at an executive level led by the Principal implementing the policies laid down by the Governors and reporting back to them. As a group the senior leadership team is responsible for the authorisation of spending within agreed budgets. The Principal is responsible for the staff structure and the appointment of staff, though appointment boards for posts in the leadership team will always contain a Trustee. Some spending control is devolved to members of the leadership team as the Principal's discretion.

The overall School Management Team includes the Senior Leadership Team, three extended leaders and four lead practitioners, and two administration and support managers. These managers are responsible for the day to day operation of the Trust and the Free School Trust, in particular organising the staff (teaching and non-teaching), facilities and students.

#### Connected organisations including related parties

The Trust's lead delivery partners are:

The City of Liverpool College, Liverpool John Moores University, The Liverpool Institute for Performing Arts (LIPA), Liverpool City Council, Merseyside Fire and Rescue Service, Childnet International, Merseyside Police, Edge Hill University, Liverpool Everyman & Playhouse theatres and Wirral Borough Council.

The Trust's main supporters are:

Everton Football Club, Barclays Premier League, Kitbag, Sodexo and The Football Foundation.

#### Risk management

The Governors have assessed the major risks to which the Trust and the Free School Trust is exposed, in particular those relating to teaching, provision of facilities and other operational areas of the Trust, and its finances. The Governors have implemented a number of systems to assess risks that the Trust faces, especially in the operational areas (e.g. in relation to teaching, health and safety, bullying and school trips) and in relation to the control of finance. They have introduced systems, including operational procedures (e.g. vetting of new staff and visitors, supervision of school grounds) and internal financial controls in order to minimise risk. Where significant financial risk still remains they have ensured that they have adequate insurance cover

#### **OBJECTIVES AND ACTIVITIES**

#### Objectives and aims

The main objectives of the Free School Trust during the year ended 31st August 2015 are summarised below:

- Ensure students are afforded appropriate progression routes to positive futures
- Work in partnership with other professionals, schools and agencies to raise student achievement
- Develop innovative and quality driven approaches to teaching and learning
- Deliver a curriculum underpinned by challenge, choice and customisation
- Build student self-esteem and nurture positive self-belief through the 'three R's' respect;
   responsibility and resilience
- Provide students with compassion and challenge within a stable and structured environment
- Turn bold and creative educational innovation into tangible results through clearly defined leadership
- Use robust governance to guarantee that high standards of leadership, teaching and learning and pastoral care are maintained and to challenge the School during its development.

Since 2012, there has been a radical and positive shift in the way state funded Alternative Provision education is delivered. This is largely as a result of the DfE's response to a report it commissioned: "Improving Alternative Provision" by Charlie Taylor.

#### Objectives, strategies and activities

The Trust's main strategy is to develop and maintain a culture of excellence across our organisation. Everton in The Community Free School Trust is an organisation that provides opportunities for staff and students alike but always embraces the local community so as to ensure that the School is at the centre. We aim for our community to be proud of their Free School Trust.

As we continue to grow we are determined to remain an organisation of 'first choice'.

#### **Public benefit**

The Trusts' purpose is to advance, for public benefit, education as described in principal activities above. The Governors have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their duties.

#### STRATEGIC REPORT

#### Achievement and performance

Going concern

We confirm that, having considered our expectations and intentions for the next twelve months, and the availability of working capital, the academy is a going concern. In particular we confirm that a review of teaching resources has been conducted and this, along with the rationalisation of the academy to one geographical site, will result in cost efficiencies and the secularisation of a secure financial footing.

## REPORT OF THE GOVERNORS for the Year Ended 31 August 2015

#### STRATEGIC REPORT

#### Achievement and performance

The Trust successfully opened in September 2012 and became the first Alternative Provision Free School of its kind in the UK. The Trust enjoyed many firsts and has established itself as a credible and popular Alternative Provision option for Schools and Local Authorities across Merseyside. It has performed well when scrutinised by the DfE and external improvement partners. In May 2014 it was graded as good in three categories and Outstanding for leadership by Ofsted.

The Trust has worked closely with Everton in the Community and Everton Football Club in its inception and continues to offer students high quality learning and enrichment experiences on a daily basis. The Trust has also established strategic partnerships, not least with The City of Liverpool College, Edge Hill University, John Moores University and Liverpool Hope University.

The Trust commissioned an independent report by Education Consultant, Phoenix Education to assess its Year 3 academic performance. Progress across the curriculum was deemed mostly outstanding in the Alternative Provision context. In English, 31% of students achieved results above expected progress and 76% of students achieved above or in line with expected progress.

In Maths, 22% of students achieved results above expected progress and 74% of students achieved above or in line with expected progress.

A high proportion of students achieved GCSE grades at A-G level in both English and Maths. 9% of Year 11 students achieved a Maths GCSE at grade A- G and 17% achieved grade A-C in English. Given the backgrounds of the children who were referred to the Free School Trust (many the majority of whom were outside of formal education), this represents rapid progress from their starting points on entry to the school.

100% of students progressed to further education, training and employment.

Attendance was 89% for the whole year and in some cases over 200% improvement was achieved.

The Spellow Lane school building was completed in April 2015. It has room for 200 students and contains a teaching block, sports hall, a creative block and a covered street to link different parts of the complex. the building was officially opened by Everton manager Roberto Martinez in September 2015.

Over 200 children and young people engaged with Everton Free School during Year 3.

#### Financial review

Reserves policy

The Governors review the level of reserves on a termly basis. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of the reserves. As this amount builds up total reserves less the amounts held in fixed asset reserve and restricted fund reserve), this amount will be kept secure for a time when it is needed to self-finance a scheme of major capital projects.

The Governors have decided that it is prudent to try and build a reserve of restricted funds approximately equal to 5% of annual income to safeguard against unforeseen circumstances, late EFA payments, emergencies and other catastrophes. This is sound commercial practice designed to safeguard the quality of education received at the Free School Trust.

#### Investment policy and objectives

Due to the nature of funding, the Trust may at times hold cash balances surplus to its short term requirements. Moving forward, the Governors have authorised the opening of short term bank investment accounts (currently Bank of China) to take advantage of higher interest rates. No other form of investment is authorised.

#### Principal risks and uncertainties

### REPORT OF THE GOVERNORS for the Year Ended 31 August 2015

#### STRATEGIC REPORT

#### Principal risks and uncertainties

The principal risks to the Trust are documented and managed using a risk management policy and a risk register which is regularly reviewed.

The main risks are seen as the loss of reputation through failing standards at the academies, falling student numbers, failure to safeguard our students, and failure on high profile school to school support commissions. Key controls in place to mitigate these risks are:

- An organisational structure with clearly defined roles, responsibilities and authorisation levels,
- Documented terms of reference for the committees and sub-committees of the Trust,
- Financial planning, budgeting and regular management reporting highlighting key areas of financial risk.
- Formal written and published policies for employees,
- Vetting procedures as required by legislation for the protection of the vulnerable, and
- Robust due diligence procedures in place for new contracts and commissions.

#### Financial and risk management objectives and policies

The main financial risks are mitigated through the employment of sound financial management and internal control processes. Balanced budgets are set and limited budgets are further delegated to departments and faculties. Actual performance against agreed budgets is closely monitored by the finance team and via regular (termly) meetings of the finance and audit committee.

Bank and cash reconciliations are carried out routinely and signed by the Accounting Officer. All orders and cheques are signed off by the finance team with appropriate segregation of duties in place. Fixed asset registers are in place and there are processes in place for the acquisition, adaptation and disposal of assets. Payroll is outsourced and checked by more than one individual each month. The appropriateness and integrity of internal controls is assessed and reported to the Governors by the Responsible Officer and external auditors.

The security of data is administered by an in house team of IT professionals.

Remaining risks are mitigated to a large extent by comprehensive insurance policies.

#### **Future developments**

The Trust will continue to strive to provide an outstanding alternative provision education and improve the levels of performance of its students at all levels. The Trust has a new Strategic Development Plan and a set of Key Performance Indicators (KPIs) linked directly to the vision and ethos objectives. These KPIs are measured termly through the School Self Evaluation Form (SEF).

The Trust will also continue to aim to attract high quality teachers and support staff in order to deliver its objectives and additional governors with appropriate expertise and skills to drive forward development plans.

The Trust will continue to work with partner schools, charities, business and sponsors to improve the educational opportunities for students and raise standards of academic achievement and well-being of students.

Future developments that are under consideration include creating a provision for Key Stage 3 students who have been, or are at risk of exclusion from mainstream schools. Post 16 the school is investigating partnerships that will allow it to grow its post 16 numbers.

#### **AUDITORS**

The auditors, McLintocks Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

### STATEMENT OF TRUSTEES RESPONSIBILITIES for the Year Ended 31 August 2015

The trustees (who act as governors of Everton In The Community Free School Trust and are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with the Annual Accounts Direction issued by the Education Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP 2005;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the EFA/DfE have been applied for the purposes intended.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the academy trust's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the governors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Governors to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### **Opinion on financial statements**

The accounting officer is responsible, under the requirements of Everton In The Community Free School Trust's funding agreement with the Secretary of State for Education and the Academies Financial Handbook, extant from 1 September 2014, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2014 to 2015. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2014 to 31 August 2015 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

#### Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2014 to 2015 issued by the EFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

# INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO EVERTON IN THE COMMUNITY FREE SCHOOL TRUST AND THE EDUCATION FUNDING AGENCY

#### Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2014 to 31 August 2015 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Notes to the Financial Statements for the Year Ended 31 August 2015

#### 1. ACCOUNTING POLICIES

#### Accounting convention

The financial statements have been prepared under the historical cost convention, the Companies Act 2006, the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities and the Academies Accounts Direction 2014 to 2015 issued by the EFA.

#### Going concern

The Governors assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The Governors make this assessment in respect of a period of one year from the date of approval of the financial statements.

#### Incoming resources

All incoming resources are included on the Statement of Financial Activities when the academy trust is legally entitled to the income and the amount can be quantified with reasonable accuracy.

#### Grants receivable

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the year is shown in the relevant funds on the balance sheet. Where income is received in advance of entitlement of receipt its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the year for which it is receivable and any unspent amount is reflected as a balance in the restricted general fund. Capital grants are recognised when receivable and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

#### Other income

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the goods have been provided in or on.

#### Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

#### Charitable activities

These are costs incurred on the Free School Trust's educational operations.

#### **Governance costs**

These include the costs attributable to the school's compliance with constitutional and statutory requirements, including audit, strategic management and Governors' meetings and reimbursed expenses.

### NOTES TO THE FINANCIAL STATEMENTS - CONTINUED for the Year Ended 31 August 2015

#### 1. ACCOUNTING POLICIES - continued

#### Tangible fixed assets

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment. Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of Financial Activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the school's depreciation policy.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost of each asset on a straight-line/reducing balance basis over its expected useful life, as follows:

#### Freehold property 2% straight line

Fixtures, fittings and equipment 20% straight line and 33% straight Line

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

#### Taxation

The academy trust is exempt from corporation tax on its charitable activities.

#### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the governors.

Restricted funds can only be used for particular restricted purposes within the objects of the academy trust. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

#### Pension costs and other post-retirement benefits

Retirement benefits to employees of the Academy are provided by the Teachers' Pension Scheme ('TPS'). This is a defined benefit scheme and the assets are held separately from those of the Academy.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quinquennial valuations using a prospective benefit method. The TPS is a multi-employer scheme and the Academy is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis. The TPS is therefore treated as a defined contribution scheme and the contributions recognised as they are paid each year.
